

Management Studying Improvements In Freight Service To Glades Areas

Pete McClelland, President of the Chamber of Commerce, arranged a meeting with Management of Tami. Freightways and J.W. Shirley, Tampa Terminal Manager on problems of freight deliveries in the Glades.

Pete McClelland, President of the Chamber of Commerce arranged a meeting with Management of Tami. Freightways and J.W. Shirley, Tampa Terminal Manager on problems of freight deliveries in the Glades.

Difficulties of both the receivers and the transportation company were aired and solutions discussed, and resolved. Mr. P. C. Kirkland, Regional (Florida) Manager for the Freight ways, J. W. Shirley, Terminal Manager of Tampa and Pat Drake, Belle Glade Agent, participated for the company, while Pete McClelland, Luther Jones and Mrs. Verda Mathewson represented the community.

"With reports from Terminal Manager Shirley of his observations over several weeks on the ground here, the addition of some \$2 million in rolling stock by the company, and a

Bill Eggleston Appointed Holiday Inn Controller

W. E. Eggleston, former South Bay City Administrator, began his new duties as Controller of the Holiday Inn Tuesday morning. Eggleston said "we are delighted to have the services of Eggleston and feel he will be a great asset."

Eggleston resigned last week and in leaving said "The City of South Bay is totally in very good operational condition." He pointed to the water improvement projects totaling some \$375,000.00 that are nearing completion. Eggleston's first assignment some two years ago as administrator was to select a water plant site, and with the cooperation of the City Council negotiations resulted in the purchase of a suitable site. There were many firsts in bringing the water project to a reality. "Legal issues, land rights and final contracts in-

Glades C. I. Inmates Combat Delinquency With "Operation Teenager" Program

A team of three inmates of the Glades Correctional Institution spoke of their lives and confessions to an audience of sixty Southeast Florida Council on Crime and Delinquency members at the Glades Correctional Institution Monday night. This team is one of the two pilot groups in the state prison system to begin public appearances in behalf of teenage delinquency.

One inmate speaker said, "I am here because of failure to think... failure to be rational... I was a good student and had fine parents, but I drifted off with the wrong crowd... then came the day when I was involved in an attempted robbery. I'll never forget the tears on my mother's eye. I decided now was the time to be strong, that I would not give up. I have learned here it is never too late to rehabilitate... to be restored... to fit one's life better again. I want to help teenagers realize that the "does" and "don't" never are wrong and never grow old. Conformity to law and society will help me regain my place as a self-respecting citizen."

Superintendent Garrie Curlee explained that "Operation Teenager" as presented by the three inmates is one of the two pilot groups in the state to prepare such program, and Monday's presentation was the first for the Glades Correctional inmates. One purpose as expressed by the first speaker "is that we might save someone else from being where we are... especially teenagers."

"We will permit the group to go any place that we might be able to service and we hope we will get invitations," said Supt. Curlee. The other pilot group is the Florida State Prison in Raiford. The major objective is through testimonies of inmates to lessen the growing juvenile delinquency rate.

Okeechobee Waterway Boatcade

With 60 days left to go before the Okeechobee Waterway 25th Anniversary Annual three day Cross-State Cruise May 14, 15, 16, over 50 requests for registration forms have been received, the Boatcade committee announced.

Beginning Friday afternoon, May 14, boats will arrive in Ft. Myers to check in with Capt. Ed Hansen at City Yacht Basin. Free overnight docking will be provided for all boats registered for the cruise.

That evening a social hour and dinner will be held at the Holiday Inn, where boatcaders will be given a briefing and Cruise Instruction.

Saturday morning, the 15th, all boats and fleets will depart for Belle Glade, with coffee break above Olga Dam as guests of Lehigh Acres and box lunch at Ortona or Moore Haven.

A social hour at Belle Glade Country Club will be held Saturday evening and an outdoor fish fry at the Marina. Dancing along with floor show, refreshments and other plans for a "Have Fun" party are planned.

Sunday the boats depart for the East Coast, run with a coffee break at Pahokee and box lunch pick-up at Indiantown Marina.

Concluding the "three day event will be dancing and entertainment at Port St. Lucie.

New Manager For BG Sears Store

Belle Glade Sears Store has a new manager this week — Regina Keene, who arrived Monday from Bartow to take over his new post Monday.

Mrs. Keene, who remained in Bartow, will join her husband as soon as suitable housing has been secured.

Mr. Keene replaces John Miller, who has been promoted as manager of the new store opening today (Thursday) in Boca Raton.

Mrs. Ruth Wedgworth greets Israeli Ambassador to Canada, Gershon Avner at the reception and banquet tendered the distinguished visitor at the Holiday Inn Tuesday night, along with Sam Senter, host to the visitors, and Glades farmers and business leaders.

Israel's Ambassador To Canada Guest At Reception — Banquet With Farmers

The Ambassador pointed out to the audience that Israel has some 8,000 square miles of land area, and the lack of fresh water has as hopes for remedy the use of an atomic reactor to produce potable drinking from sea water.

"The progress of our country," the Ambassador continued, "has gained momentum from Jews living outside of Jerusalem, such as our friend Sam Senter. We are receiving some 200 misplaced, penniless and needy refugees daily now in an area about the size of your State of New Jersey."

A visit to the Glades Sugar House at the same time Sam Senter and Mayor Williams made their first trip through the mill, apparently was impressive to the Ambassador, for he referred to it several times in his remarks.

The appeal by the Ambassador to Glades folks as fellow pioneers hit a receptive cord with his hearers.

Potential visitors to the for-

Wilson's Say:

"GLADES FOLKS CAN'T BE BEAT"

"There just couldn't be better people than the folks who live in the Glades," was the appreciative comment made by Mrs. Eugene Wilson. "So much has been done for us and it is impossible to express our feelings," she added.

The Wilsons were victims of disaster and tragedy when their home burned to the ground at Hillsboro Plantation claiming the life of their infant son, and destroying all their clothing and household possessions.

We believe Mrs. Wilson's comment bears a world of truth. Glades folks — particularly old timers — have lived close to the threat of disaster and many have known the tragic sudden loss of loved ones and all earthly possessions as well.

Glades folks "come across" when it is made known folks need help.

Through the effort of a small initial group (most of them did not know the Wilsons) household furnishings have been lined up and donated, clothing for the family of eight supplied, groceries furnished and money contributed to help in this emergency.

The Wilsons, who have been living with relatives, reported they had, through the help of friends, found a home and would be moving to Pahokee Wednesday night. A truck was provided also for the move.

Those close to the situation have suggested that cooking utensils, silverware and dishes are still in short supply. There is no doubt these items will be forthcoming.

Freeholders Registering Slowly

"Despite the fact that we estimate there are near 2,000 eligible freeholders, unregistered, our office has experienced a scarcity of those seeking to register," says City Clerk, Mrs. Vera Jones.

"The books close Friday, Mar. 19th at 4:30 p. m. and there are important matters demanding an expression from registered freeholders. The City Commission is very desirous of having a more representative list of real property owners than we now have currently," Mrs. Jones continued.

A question currently to be voted on is concerning whether additional hours will be granted alcoholic beverage merchants.

Other questions are in the offering on which the Commission would like to have an expression from freeholders.

"We Will Get Some Immediate Relief Roberts Tells Canal-Hazard Gathering

"Democracy is at work this morning" committee Chairman Henry O. Earwood told a group of over 120 Glades citizens from around the Lake who gathered at an early breakfast Wednesday morning at the Holiday Inn to do something or have it done about the Canal-Hazard conditions in the area.

Earwood reminded the group, which included a large turnout from Pahokee, representatives from Clewiston, Moore Haven, South Bay and Lake Harbor, that "hundreds of lives have been lost in Palm Beach County in the past 20 years."

"We are most pleased by the turnout this morning and ask that you and your friends work

with our committee to do something in a concerted effort with organized purpose."

Earwood outlined the committee's work from early January and reported their findings and recommendations to the county commission.

"We are most pleased by the turnout this morning and ask that you and your friends work

"Stimulation Of Thought" Topic Heard By Xi Beta Gamma Chapter

Reverend Richard Roseman, minister of the local Lutheran Church, was the guest speaker on Thursday night when Xi Beta Gamma Chapter members met for their regularly scheduled meeting at the home of Mrs. Nell DePamphilis. Rev. Roseman spoke on "Stimulation of Thought," followed by a general discussion on the subject which was enjoyed by all.

Final plans were laid for the Girl of the Year dinner which will be held at the home of Mrs. O. G. McWhorter on March 27th. Final plans were also made for the Founder's Day program which is scheduled for April 15th at the Holiday Inn.

Mrs. Harold Gilbert Elected President Beta Xi Chapter

Election of officers for the coming year was held at the regular meeting of Beta Xi Chapter of Beta Sigma Phi, when Mrs. Harold Gilbert was elected president; Mrs. James Dooley vice-president; Mrs. Renee Lee treasurer; Mrs. Carol McWhorter recording secretary; Mrs. Carl Waggoner, corresponding secretary. Installation will take place at the Founder's Day Banquet at the Holiday Inn. The date to be announced.

The group planned the donation of a layette to a migrant family and articles of clothing are to be brought to the home of Mrs. John Grady before March 20. Plans were also made for a benefit bridge party, proceeds to go to the Royal Palm School. The social of the month will be a cocktail party at the home of Mrs. John Grady at 7 p.m. on March 20, to be followed by attending the St. Patrick's Dinner and Steak dinner at St. Philip's Benizi Hall.

Mrs. Ronald Cameron presided at the business meeting. Present were Mrs. Luis Guerrero, Mrs. Avaro Sanchez, Mrs. Harold Gilbert, Mrs. Cameron, Mrs. James Dooley, Mrs. Terry Miller, Mrs. Robert Davis, Mrs. William Miller, Mrs. Pete LaChance, Mrs. Cameron, Mrs. Renee Lee was hostess at her home, 1501 N. W. Ave. E. South.

QUICKIE RECIPE OF THE WEEK

Noodles Parmesan
8 Oz. package wide noodles
3/4 cup grated Parmesan or Romano cheese
1/4 cup melted butter
Salt and pepper as desired
Cook noodles according to directions on package. Drain well and turn into heated chafin dish. Sprinkle with Parmesan cheese, and toss with forks until evenly coated with cheese. Add melted butter and seasonings as desired and toss again. Makes 4 servings.

S. Patrick's Annual Dinner Dance

March 20
The Holy Name Society of St. Philip's Church will hold its Annual S. Patrick's Steak Dinner and Dance on Saturday, March 20 at St. Philip Benizi Parish Hall, Belle Glade from 7:00 p.m. 'til.

Live Music will be furnished by the popular Rhythmaires. In order that those attending may have every opportunity to dance and enjoy the evening, ticket sales will be limited—Call J. A. Finan 996-3559 for reservations.

Omicon Chapter To Set Date Soon For Art Exhibit

Mrs. Dan Carpenter is hostess to the regular business meeting of Omicon Chapter, Sigma Xi Chapter of Beta Sigma Phi, at her home in Pahoehoe, March 9th. The meeting was opened with the Sorority Pledge, followed by the Sorority Song.

There was much discussion and more definite plans made for the forthcoming annual art exhibit. A definite date and place will be announced later. The exhibit is a joint project of the community and surrounding areas who are interested in art and crafts should watch for this in the near future.

Members again exchanged art books. Following the business meeting, Mrs. Carpenter served delicious refreshments to the following members: Mrs. Luther Jones, Mrs. Edna Barrett, Mrs. Pauline Boydston, Mrs. Edward Kany, Mrs. William Masonic, Mrs. Harold Lotter, Mrs. Marie King, Mrs. Howard Burdine.

Mrs. N. Gaskell Elected President BG Garden Club

Mrs. Newell Gaskell was elected president of the Belle Glade Garden Club at the meeting of the group conducted in the parlor of the Community Methodist Church last Thursday.

Other officers elected were: Vice-President, Mrs. J. P. Halbrook, Jr.; Recording Secretary, Mrs. Lonnie Warren; Corresponding Secretary, Mrs. C. Fessenden; Treasurer, Mrs. Richard Hodges. Installation will be held at a luncheon at Community Civic Center May 13.

Miss Sara Lee Creech presented a most appropriate program on church arrangements and had on display many outstanding and beautiful arrangements, some of which were used in church since the beginning of the Lenten Season. One especially outstanding was a beautiful cross. In addition to the display, Miss Creech also told about various types of arrangements suitable during the Lenten season.

In giving the program Miss Creech told something of the history of going into the florist business, dating back years ago, when her mother became interested in flowers.

Guests were present from Pahokee, South Bay and Canal Point, and from Garden Study Club, Chosen Garden Club.

Hostesses were Mrs. F. C. Fessenden, Mrs. J. O. Janson and Mrs. C. W. McDonald.

Title Change For New Play At Palm Beach Playhouse

The title of the world premiere at Frank J. Hale's Playhouse which will be seen in the final week of the season, has been changed from "Goddess on the Couch" to "THE MAN WITH THE PERFECT WIFE."

This world premiere is a comedy about a lady psychiatrist, portrayed by Jennifer Jones. The production is to be supervised by Daniel M. Selznick and directed by Windsor Lewis. Other stars in the cast include Barry More (currently seen in the TV series "The Fugitive"), Murray Hamilton, Morris Carnovsky, who distinguished himself

Sullivan-Schoenfeld Vows Said In Ceremonies At Canal Point

MR. AND MRS. F. C. SCHOENFELD, JR.

In a double-ring ceremony at the home of Mrs. F. C. Schoenfeld, Jr., at her home in Pahoehoe, March 9th, the bride and groom were united in marriage. The bride is the daughter of Mrs. Mattie DeVane and J. L. Sullivan of 3178 Bacon Point Rd., Pahoehoe. The bridegroom is the son of Mr. and Mrs. F. C. Schoenfeld, 620 N. W. Ave. E., Belle Glade.

The Reverend Laurence Stewart performed the 7:30 p.m. ceremony before an altar flanked with palms and eucharist candles. White gladiolus and peonies marked the family sitting place.

Mrs. Bob Horton, of Canal Point, organist, presented the traditional wedding music and Mrs. Laurence Stewart, Canal Point, soloist sang "Whither Thou Goest" and "The Lord's Prayer."

The bride was married by her father, the bride wore a gown of white chiffon, with long finger sleeves and a chapel train. The front of the gown and the flowing bow in back were accented with broad flower petals and pearls. Her bouquet was white carnations and yellow lilies, set off with a bow and she carried a bouquet of white carnations and yellow lilies.

Miss Ann Pescoco was maid of honor in a pink broad tulle dress with long white gloves and a pink veil with a long train. She carried a pink carnation bouquet.

Mrs. W. L. Bingham, Pahoehoe, was the best woman. She wore a white dress with a large bow at the back. Her veil was white with a long train. She carried a pink carnation bouquet.

Best Man was Billy Schoenfeld, Belle Glade, brother of the groom. Ushers were Vernon Martin, Dorinda Martin, and Kathleen Rogers. Other guests included Mrs. Morgan Tyson, South Bay, Wayne Sullivan, brother of the bride.

Immediately after the ceremony a reception was held at the home of the bride. The bride and groom were served. Guests by Miss Janice Sullivan and Miss Sally Banks before going thru the receiving line.

Mrs. DeVane, mother of the bride chose a pink dress with white accessories and a white carnation corsage. Mrs. Schoenfeld, mother of the groom, wore a blue dress with white accessories and wore a white carnation corsage.

The bride was graduated from Clewiston High School and was a member of Future Homemakers of America, Pahoehoe, and was secretary to John Paris and is in the Agricultural Dept.

Following a wedding trip to Sanibel Island the couple are now at home after March 14 at 1105 N. E. 21st, Belle Glade.

Bridal Shower Honors Susan Weaver

The honoree was showered with many beautiful gifts which were opened and displayed. Refreshments of punch, cake and nuts were served from a table centered with an arrangement of yellow and blue flowers.

Present for the occasion were Mrs. J. O. Janson and Mrs. Margaret Robertson, Mrs. Frank Robertson, Mrs. K. W. Scheiding, Mrs. Pat Gremer, Mrs. E. W. Weaver, Mrs. Ethel McCluney, Mrs. H. D. Merriam, Mrs. Barbara Austin, Mrs. R. O. Plank, Mrs. Y. E. Smith, Mrs. Mary Chaney, Mrs. Myrtle Ward, Miss Linda Plank, Miss Josephine Crouch and Miss Norman Rogers.

BPW Views Orient Via Colored Slides

Twenty members and guests attended the Belle Glade Business and Professional Women's regular meeting held at the home of Mrs. Rosa Nash on Monday night, in observance of National BPW Week.

Preceding the meeting at 7 o'clock a covered dish supper consisting of many delectable and delicious home cooked foods, was enjoyed.

Mrs. Ruth Wedgworth, the Club's "Woman of the Year" was introduced and showed colored slides on the Orient including Hiroshima, Bangkok, and Hong Kong. The many beautiful gardens, temples and scenes of life in the Orient shown made everyone wish they could make the same trip.

Mrs. Wedgworth was commended for her excellent pictures and the many interesting comments, which were thoroughly enjoyed by the members and guests.

Following the program a brief business meeting was conducted by the President, Kathleen Rogers. Due to a conflicting schedule on the same night, the fish fry which was to be sponsored by the Club on April 3, has been postponed, date to be announced later.

Guests present in addition to Mrs. Wedgworth were Myrtle Martin, Dorinda Martin, and Kathleen Rogers. Other guests included Mrs. Morgan Tyson, South Bay, Wayne Sullivan, brother of the bride.

Mrs. Edna Barrett, of West Palm Beach, spent Tuesday night in the Glades with friends and attended a meeting of the Sigma Xi Sorority of Fine Arts.

Japan in 1964 was again the best market for U. S. agricultural exports. India was second but most of the shipments to India were under government-financed program.

Program And Election Marks Garden Study Club Meeting

Mrs. Ray Roth presented the program at the meeting of the Garden Study Club held at the home of Mrs. J. I. Freedlund with Mrs. Leland Pearce as co-hostess.

"Summer Planting For Summer Blooms" was the title of the highly interesting and informative program. Mrs. Roth named the various flowers for summer planting, including petunias, asters, snapdragons, phlox, verbena and chrysanthemums. She pointed out that asters, zinnias and geraniums will be in bloom through the summer, and gave useful information about planting and care.

E. N. Van Landingham, president presided during the business session. The nominating committee presented the slate of officers for the coming year, which was unanimously elected as follows: President, Mrs. E. M. Van Landingham; Vice President, Mrs. Luther Jones; Secretary, Mrs. Wayne Baughman; Treasurer, Mrs. A. McCabe; Ways and Means, Mrs. Robert Hooker.

Announcement was made that members will be going to the State Flower Show in Miami on Saturday March 20, by special Greyhound Bus leaving at 8 a.m. and returning at 5 p.m. The bus fare is \$5.00 round trip per person and the Flower Show is \$1.25. There is still room for 10 or 15 more. Anyone interested may call Mrs. E. M. Van Landingham or Mrs. Robert Hooker.

Announcement was also made of the workshop to be conducted March 31 on Church arrangements at 10:00 a.m. at the old Park Clubhouse. Mrs. Luther Jones will be the instructor. Mrs. Lee Puckett was appointed to be the Garden Study Club representative to serve on the Landscape Planning Board for Gove Elementary School.

Mrs. Emmett Harris won first place in the contest on Travel Corsage.

Six books were contributed to the club library by Mrs. Luther Jones, which include valuable information for the members such as: How to Know Birds by Peterson; Lillies For Every

Belle Glade Personal Notes

The First Baptist Church of South Bay will be host to Big Lake Baptist Association Youth Night to be held Saturday evening at 7:30 p. m.

The program of the evening will be under the direction of Rev. James Williams, pastor of the First Baptist Church of Lake Harbor. The Association Youth Director, and Mr. Robert Sloss, Association Training Union Director.

The Stetson University Revival team composed of Mr. Chuck Bugg, President of the Student Body will be bringing the message of the evening, and Mr. Jimmy Thompson of Vero Beach will serve as pianist.

All churches of the Big Lake Baptist Association are urged to be present for the Association Youth Night and the Association Executive Session to be held at 6:30 in the Educational Building of the church.

Walther League Zone Meeting Held In WPB

A Walther League Zone Board meeting, consisting of society presidents from the local churches, was conducted at Redwood Lutheran Church, West Palm Beach on Sunday, March 14.

Attending from St. Peter's Lutheran Church, was Miller Kirchman, president of the local league, Reverend R. J. Roseman, Zone Pastoral Advisor, and Mrs. Loretta Roseman.

TODAY'S Meditation

Read Isaiah 61-63; Matthew 6:1-13

Was I meditating for I am undone; because I am a man of unclean lips. Isaiah 6:5.

When the door to a room is opened toward the sun, the room becomes flooded with light and is revealed as it is. Prayer is opening the door of our lives to God. When we turn toward Him, we are able to see ourselves as we really are, in our true state and condition.

When we expose ourselves to God, we see our need for cleansing. We see our need for meaning. We see our need for forgiveness, and we cry out like David, "Who is me! for I am undone, because I am a man of unclean lips." Like the publican in the parable of Jesus, we cry, "God be merciful to me a sinner."

When our attitude is right toward God and we have confessing hearts, we come from prayer justified, forgiven, healed by the divine touch of Jesus Christ.

PRAYER: God, we come into Thy holy presence with humility of spirit and unfeigned confession of our sins. We realize our need of cleansing. Forgive and restore us. We pray in the Master's name and for His sake. Amen.

THOUGHT FOR THE DAY

Is confession a part of daily prayer in my life. Annie Zachariah, Malaysian (India)

Church Of God Now In New Annex

Last Sunday the Belle Glade Church of God moved into their new Sunday School annex building. The day also marked the beginning of a six weeks Sunday School Enlargement Campaign. The past Sunday was Family Day and the Sunday School registered a 20 percent increase in Attendance.

March 21st will be Men's Sunday and every man, in the constituency is urged to be there on this day and to bring visitors with him. March 28th is "Old Times Day" and anyone that has ever attended the Church of God is being contacted, if possible, to be there.

This Sunday, Pastor Modest Sindle and Mrs. Sindle are personally giving to 13 children and teenagers a beautiful Bible with their names inscribed in gold for a 6 months perfect attendance record in Sunday School.

Now that the Church of God has practically annexed their new Sunday School Annex they are beginning to plan for the remodeling of their present church. Preliminary sketches have been prepared by Penny DeKon.

Victory

The New Testament reveals that Christ gives his disciples victory over many things. Faith in Jesus the Son of God helps a person overcome the world.

GLADES CHURCH NEWS.....

MAR. 18, 1965 THE HERALD, Belle Glade, Florida 3A

Latter Day Saints Church Host To Branch Conference Mar. 21

The Church of Jesus Christ of Latter-Day Saints (Mormon) will hold its annual Branch Conference on March 21, 1965 at the Chapel located at 601 N. S. Ave. A, Belle Glade.

Officers and teachers for the coming year will be sustained. There will be two sessions of Conference. The first meeting will be at 10:00 A. M. and the second session at 2:00 p. m.

Luncheon will be served buffet style at the chapel by the Relief Society Sisters. Stanley Clyde Johnson, President of the Miami Stake will be the main speaker. The public is invited to attend these services, and all other services.

Sunday services are held as follows:
Officers and teachers meeting 9:30 a. m.
Sunday School, 10:00 a. m.
Priesthood Meeting 11:30 a. m.
Primary classes are held for the young at 3:30 on Thursdays. Relief Society meetings are held Tuesday at 8:00 p. m.

Presbyterian Women Lenten Service March 24 At Lutheran Church

Continuing the preaching series on the questions which Jesus asked during His Passion, the sermon for the Lenten service, Wednesday, March 24, is "Sayest Thou This of Thyself?" The question was asked by Jesus to Pontius Pilate in the State Court, and is found in John 18:34. You are invited to study this passage with us in the light of Christ's work. These Lenten services are held each Wednesday evening at 8:00 p. m. in St. Peter's Lutheran Church.

Mr. Carl Mizelle, Home Mission Committee Superintendent of Presbytery of the Everglades, will be guest speaker. All members are urged to attend and guests are welcome.

Miss Sara Lee Creech Speaks To Ministerial Association

The monthly meeting of the Belle Glade Ministerial Association was held Wednesday, March 10, at St. Peter's Lutheran Church, Reverend R. J. Roseman, host pastor.

The meeting, opened with prayer by Rev. J. F. Vondreck, president of the Everglades Presbyterian Church.

Miss Sara Lee Creech was a guest and spoke concerning the inter-church council and the Day after Tomorrow, asking for the prayers and support of the ministers in both parishes.

A motion was made, seconded and approved that the Association invite the Inter-church Council and the Directors of the We Care Center to a special meeting to discuss the possibilities of more involvement by the churches.

Reverend B. B. Hyton of the Osceola Center then spoke of the continuing need for lay workers at the Migrant Center. A resolution was sent to the members of the City Council urging the Council to continue to abide by the existing City Ordinance pertaining to the sale of alcoholic beverages.

A report was made by the president concerning the furnishing of a Chapel in the new wing of the Belle Glade Memorial Hospital.

Rev. L. Key of the First Baptist Church announced that Jack Epps, of the United Christian Aid, would speak at the Baptist Church on Friday, March 26. All churches in the Belle Glade area were asked to co-sponsor this rally, along with the Baptist Church, if they so desire.

It was decided that the co-operating churches within the Association would conduct an annual Easter Sunrise and Good Friday service. The Good Friday service will be held at the Community Methodist Church, April 16, from 12:15 to 1:00 p. m. The Easter Sunrise service will be conducted on the ground of the First Baptist Church, Sunday, April 18.

Reverend Vondreck appointed the following committees for the year of 1965: Public Relations, Finance, and Social Service.

SEMINAR TOIC
ST. PETER'S LUTHERAN CHURCH - Belle Glade, Sunday, March 21, "In the Face of Death" John 11:1-16. Sunrise school and Bible Class, 9:15. Divine worship, 10:30 a. m. Rev. R. J. Roseman, pastor.

Flying Out West

Mr. and Mrs. W. H. Bus will leave by plane Friday morning to visit their son Martin who is a student at Northwestern College in Nampa, Idaho.

From there they will go on to California where they operate a grape vineyard and citrus orchards. They expect to be back home around April 1st.

Florida's Weekly Wachee has combined Lewis Carroll's "Alice in Wonderland" with the fable of mermaids and come up with an underwater fantasy staged in the underwater Grand Canyon.

Dick Pope, president of Florida's Cypress Gardens, the new president of the Florida World's Fair Authority which oversees the Florida exhibit at the New York World's Fair.

Dane Hill Acres' Ice Jam is a running testament to Hialeah to the benefits of Florida oranges. The 4-year-old eats a half dozen oranges daily, unpeeled.

New Manager For Borden Dairy

Mr. Donald Flack, who has been associated with the Borden Company in West Palm Beach for the past five years, has transferred to Belle Glade as manager for the company's local operation. His wife Ruth and daughter Connie will be moving here sometime in June.

Mrs. Flack conducts 160 Farm and Home News radio shows daily for WZZL. The daughter is a freshman at Jefferson Davis High School in West Palm.

The family are members of St. Luke's Methodist Church.

the Bible speaks to you

CHRISTIAN SCIENCE RADIO SERIES
"WHAT IS SPIRITUAL HEALING?"

"We don't consider it esoteric to 'hear' our children's prayers. Nor is it too much trouble! In fact, it is part of our responsibility to God.

For Mollie and Ted are His children, too. Parents are partners with—not substitutes for—our Heavenly Father.

It is this sense of partnership that has brought faith and the Church into the life of our family. We are not foolishly depending on our mere adulthood to inspire character in them. We do not command that they do what we say, not what we do. And we never sit at home while they are in Church, as though the truth they have gone to seek were their group's effort.

We figure God wants us at the listening post, to monitor their spiritual searchings, to share with them the blessings He has given us all.

Suncoast Conference Report —

Palm Beach High holds an early-season key to the Suncoast Conference baseball race this week.

The Wildcats, who battled defending champion Forest Hill to a 2-2 tie last Friday after beating Pahokee 3-1 Tuesday, play at home against two of the teams who won their only conference starts last week.

Palm Beach meets Vero Beach Tuesday and Lake Worth Friday in afternoon games at Connie Mack Field in West Palm Beach. Vero beat Riviera Beach 4-3 and Lake Worth surprised Forest Hill 3-2 last week.

Also sharing first place with a single conference victory after the first week of the season is Seacrest, an 8-3 winner over struggling Fort Pierce last Tuesday.

Seacrest has an important assignment against Forest Hill Tuesday and plays dangerous Riviera Beach Friday.

Other games Tuesday find Pahokee at Belle Glade and Ft. Pierce at Riviera Beach. On Friday, Forest Hill visits Stuart. The Fort Pierce-Pahokee game originally scheduled Friday has been moved back to April 15.

In other games last week Belle Glade shut out Stuart 2-0 despite a no-hitter by the "Tiger" Wilbur Glass, but the Rams were beaten at Fort Pierce later in the week. 6-3. Pahokee hammered Stuart 8-5.

Most impressive so far has been Vero Beach, the only team still unbeaten for the season. In addition to the conference victory over Riviera Beach, the Indians have slugged two Brad County opponents — Melbourne 7-3 and Satellite Beach 11-5.

Conference Standing

	W	L	T
Vero Beach	1	0	0
Lake Worth	1	0	0
Seacrest	1	0	0
Palm Beach	1	0	1
Belle Glade	1	0	0
Pahokee	1	0	0
Fort Pierce	1	1	0
Forest Hill	0	1	2
Riviera Beach	0	2	0
Stuart	0	2	0

Conference games among Class A-A schools count in group standings.

THE HERALD, Belle Glade, Florida MAR. 18, 1965

FISHING IN THE GLADES—

"When the weather warms just a little we'll be really ready," said SLIM CORBIN Friday. Slim was busy re-tying the ole perch swing... actually it had been moved over to make more room to hold more fish bait and poles... "anyway, there's been a change so fishing is bound to be better," DELMER ALEXANDER of Chosen was saying in the sun with the sole comment "fishing was too good a word."

J. K. BAKER and CHARLES NEAS continue work hard enough to get going in fish. ROY LUCHEFIELD is in his fifth year of fishing all over the county and SLIM and the KINGFISHER is a good name for him, MI. AND MRS. JOHN MISCHIK of Benton still unbeaten for the season.

Really like the fishing here, but right now we've got a good sunburn," R. W. MILLER and his wife of Louisville, Ky., who own Miller's Cafeteria, like this fishing spot so well they have been coming here several seasons driving back and forth from Miami.

Women's Fishing Tournery Mar 24-25

International Women Fishing Association will hold a two day bass fishing Tournament March 24-25 out of J. Mark Fish Camp. The event will be sponsored by Garcia Corporation.

The tournaments have always been held on the other side of the lake and this the first time it is being held in this area. Trophies will be awarded for the biggest bass and the most bass released.

Approximately 18 members are expected for the tournament. The women will go out in pairs or two to a boat with a guide and will change guides at noon.

This promises to be an exciting contest and create a lot of interest among the women.

Stuart Takes High Points In Track Event Here Tuesday

"The fact that all schools had a real chance of winning the Track Meet held in Belle Glade Tuesday night made the event an exciting one," Coach Harry Davis told the Herald. "Okechobee was disqualified in the Mile Relay, giving Stuart a 3rd place instead of fourth, and the two points won the rest for them... every point counts," the Coach added.

Stuart came up with 60 1/2 points; Belle Glade was second with 59; Jupiter 3rd, with 53; Okechobee 4th with 46; and Seaboard 5th with 45 1/2.

Events and winners are as follows:

BROAD JUMP — Jenkins — Boca Raton — 20' 11" 1/2
JUMP PUT — Bozeman — Jupiter — 43' 6" — Second — George McDonald, Belle Glade.
HIGH JUMP — Scammell, Stuart; McDonald, Belle Glade 3rd, Bob Davis, Belle Glade 4th and Bill Miller, Belle Glade 5th.

DISCUS — won by Dixon of Okechobee — 123' 3".
POLE VAULT — by Collins, Stuart — 11'.

120 YD. HIGH HURDLES — Cammell, Stuart; McDonald, Belle Glade, 3rd place and Steve Halbrook, Belle Glade 5th place.

100 YD. DASH — Jenkins, Boca Raton — time 10.0, Miller, Belle Glade came in 5th.

MILE RUN — Chandler —

Glades Youth Baseball Elects Officers

The first meeting of Glades Youth Baseball, Inc. was held Thursday, March 11, 1965, at the Belle Glade Civic Center.

The following officers were elected: President, Jim Herring; 1st Vice President in charge of Pony League, Bill Ziglar; 2nd Vice President in charge of Little League, Ray Roth; 3rd Vice President in charge of Farm League, Bill Ferguson; Secretary, Rodney Connor; Treasurer, Roland Whitlock; Commissioner, Sam Crisman and Jerry McKee; Chairman of the Committee, Lee Berryhill; Chairman of Concession Committee, James Penzel.

Among other action passed by the majority of those present was that Glades Youth Baseball will no longer officiate itself with Florida Little Major Leagues.

It was also decided that a boy

must be nine years old by August 1, 1965, in order to be eligible for the baseball activities this season; the 9 and 10 year olds will play in the Farm League; only the 11 and 12 year olds will be in the Little League; and the 13 and 14 year olds will form the Pony Leagues.

The playing season will begin May 17, 1965. It was announced that many boys and managers had not returned uniforms after last season used in past years. It was ruled that any boy who has a uniform or sweater or cap must be issued to him must return it to Connell Hardware by March 27, 1965, or he will no longer be able to play baseball within these leagues.

The registration fee which must accompany the boys application for playing will be \$3.00.

Okechobee — 5 Min. 1 sec, Victor Riedel, Belle Glade won second.

880 YARD RELAY — won by Jupiter's Carmen, Williams, Burries and Mills — time 1 min. 42.2 seconds, Belle Glade team, John Henderson, Tony Latour, Bill Miller and Jose Ferrera placed their next for them.

FULL 40 YARD DASH — 56.6 won by Belle Glade's Ronnie Ratliff.

180 YARD LOW HURDLES — Scammell, Stuart, Steve Halbrook Belle Glade second.

880 YARD RUN — 2 minutes 16.6 seconds won by Belle Glade's Jose Ortiz.

SPRINT MEDLEY RELAY — 2 min. 14.9 sec, won by Jupiter's team. Belle Glade's Bob Davis, John Henderson, Gary Walker, Victor Riedel placed second.

220 YARD DASH — 23.5 — by Jenkins of Boca; Belle Glade's Steve Halbrook placed fifth.

MILE RELAY — 3 min. 49.8 sec, won by Belle Glade's Ronnie Ratliff, Mark Bush, Victor Riedel and Steve Halbrook.

One special race — a 40 YD. DASH — was scheduled for Gove and South Bay Elementary 4th grade boys and won by Gove, Belle Glade and South Bay schools participating.

40 YARD DASH was won by Mike Hadden, Belle Glade Elementary with a 6.1 second timing. Allen Hayes of South Bay won second place.

The man who is said to have been the strongest man who ever lived had a phenomenal record of strength until he came up against one enemy that he couldn't conquer.

He wasn't afraid of a lion, but he was terrified of a man.

FLORIDA VEGETABLES TO LONDON — Florida fruits and vegetables are being shown at the United States Fruit and Vegetable Exhibit, U. S. Trade Center, in London. The Trade Center is sponsored by the United States Department of Agriculture, Foreign Agricultural Service. Here shown inspecting a part of the shipment are left to right Douglas Stark, Director of Perishable Commodities, Trans World Airlines, Inc., San Francisco; J. S. Peters, Orlando, manager, Membership and Industry Relations, Division, Florida Fruit & Vegetable Association, coordinator; and Chris Emerson, West Palm Beach Wholesale produce distributor whose facilities were used for assembling the shipment. The quality vegetables shipped here the state's SunFlavor brand. Air shipments leaving Florida are packed in the master container shown and reach overseas destinations within a few hours.

A Thought From The Bible

He Won Every Battle, But One

By Lewis Llewellyn

"Every man is tempted when he is drawn away by his own lust, and enticed," the Bible says. "The man who is said to have been the strongest man who ever lived had a phenomenal record of strength until he came up against one enemy that he couldn't conquer."

He wasn't afraid of a lion, but he was terrified of a man.

He was a giant and he was a hero. He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

He was a man who was a giant and he was a hero. He was a man who was a giant and he was a hero.

Two Traffic Violations - Two Wrecks - Three Deaths

Innocent citizens who were pursuing their privileges as passengers in automotive vehicles are dead as results of separate traffic violations, each involving a truck and a passenger car.

At around 7:15 A. M. Monday morning on Wilder Road a few hundred feet off of State Road No. 715, at Pahokee, the huge semi-car crash was caused by a passing Buick driven by Olen Gardener, 724 S.W. Ave. C. Belle Glade striking a labor truck in which 104 cane cutters were being driven

Miller car demolished by huge semi truck, which cost the life of two of its passengers in the accident near Kwik Chek Tuesday night.

Cane cutters' passenger truck carrying 104 laborers overturned on '59 Buick on McClure Highway just east of SR 715 near Pahokee, when two vehicles tangled Tuesday morning.

The driver of the Buick was hospitalized, and several of the laborers, had injuries ranging from scratches, tear and bruises to more serious flesh lacerations.

Late Monday afternoon, Robert F. Hennessee of Jacksonville drove across the Second Street bridge in Belle Glade on which it is unlawful to drive a truck and hit a passing automobile driven by Boyd Miller who and with him his wife and Browne Scout daughter Sharlene. Miller is employed by the Glades Equipment Company.

Mrs. Jautriene Miller, age 36, and the daughter, 7, were hospitalized, and both died enroute to a West Palm Beach Hospital as a result of injuries received in the collision.

In the first accident, the driver of the Buick "apparently lost control of his car in passing" according to the statement of eye witnesses.

In the second crash, "operating a truck in illegal area" was compounded by the further illegal "failure to yield right of way, which is definitely indicated by signs.

Joseph E. Coffey, brother-in-law of Hennessee and trainee driver was riding in the semi.

Car-Semi crash cost the life of Sharlene Miller and her mother when the huge vehicle banged into the passenger car near Kwik Chek Tuesday night. The father remains critical at Glades General Hospital.

Rep. Roberts Reviews Proposed Safety Bills

Rep. Emmett S. Roberts, member of the State Legislative Safety Council Committee, reviewed Friday several proposed bills that will be introduced to the 1965 Legislature when it convenes April 6. Roberts explained "not all of these bills will be received favorably and there will be changes to most of them that are passed."

The "Implied Consent and Chemical Test" proposed bill primarily states that any person operating a motor vehicle on the highways of the state is deemed to have given consent for alcoholic content. Roberts said that this bill would be one of the most controversial.

A "State Fire Marshall" proposed bill calls for the additional law enforcement of explosives and the markings of explosive carriers. The Fire Marshall is further empowered to investigate transportation accidents involving radioactive materials, etc.

The "Passenger Car Seat Belt" proposal would require 1965 and subsequent models of motor vehicles to be equipped with seat safety belts. Other provisions as to approval and sale of are included.

Under the "Driver Re-Examination" proposed bill the most significant change would add a hearing test and further physical and mental examination as the department finds necessary and a requirement of examination or re-examination of every driver contributing to any accident resulting in death, bodily injury or total damage of \$300.00.

"Motor Vehicle Inspection" proposed bill requires motor vehicle inspection once each year, etc. Presently motor vehicle inspection is not required by law in this state.

A proposed bill on the "Manufacture, Distribution and the Use of Explosives" is with regard to certain procedures and in conjunction with the proposed Fire Marshall Bill.

Enacting a police officer" is another proposed bill not in the present law, but this bill would make it a crime for the driver of a motor vehicle to flee or attempt to elude a police officer.

A proposed bill on "Barbiturates and Stimulants" will arouse much concern also said Roberts. Under the present law provision is for the violation of an ordinance while a person is under the influence of intoxicating liquor or narcotic drugs—the proposed bill inserts "barbiturates or central nervous system stimulate to the extent that normal facilities or impaired.

The proposed bill on "Continuous pursuit and Arrest" provides that when a person violates any municipal ordinance or in committing a felony the police officer may pursue the person to any point within the county to arrest him.

A "Good Samaritan" proposed bill provides that any doctor, or nurse or licensed person who helps accident victims should not be liable.

There is a proposed bill to provide fallout shelters in public structures.

Roberts explained that all of these proposed bills affected safety either directly or indirectly and should be of concern to every citizen.

"We Will Get . . .

(Continued From Page 1A)

condary roads in Palm Beach County paralleling canals: 1. To use road guards in critical areas, which will cost about \$10,000 per mile to put up. 2. Erect plantings as a deterrent, cost of \$1,000 per mile. 3. Throw up spoil banks where feasible.

Representative Emmett S. Roberts, who has been working closely with the committee and met with the group at Legislative Clinics, urged continued unified effort of all citizens.

"We will get some immediate relief," Roberts said. "The job will require long range planning to bring the needed solution." "Our road problem can be summed up in one word—Money," he emphasized.

"Unless business people pick up and let their problems be known all the efforts made to date will stop right where we are. Now is the time for the whole citizenry to get into the act — write letters — ask your organization or firm to give endorsement to resolutions backing this program . . . If thousands of letters go to the governor something will be done," Roberts urged.

Feeling was unanimously in agreement with chairman Earwood who said "We need to trade our 1920 model ditch banks for 1965 model roads . . . we've been making the payments . . . they're quite a little bit late on salivary."

Earwood further attempted to stimulate action by asking "Are we going to wait until a school bus goes into one of these canals before we fully

face, through the loss of 50-60 children, the stark horror of travel conditions in the Glades?

Appointed by Chamber of Commerce president, Pete McClellan to serve in advisory capacity to supplement efforts of those currently working on the problem were Billy Rogers, Bill Bailey, Dick Poston, Sam Knight, James Ball, Claude Shibley, Louis Gold, Larry Royal, Rupert Mock and Bob Mathews.

The project has had the full support and untiring efforts of the City and Chamber from its inception. Mayor LeBron Williams also addressed the group and pledged every possible aid for the Glades breakthrough were Royals and Everglades Federal Savings & Loan Association.

Coral Gables residents will celebrate the city's 40th anniversary April 25-29 and visitors are invited to participate in the unusual celebration.

Sportsmen who lose their hunting or fishing license may obtain a duplicate from the county judge who issued the original, says the Game and Fresh Water Fish Commission.

Over 3,000 people attended the formal opening of the Cape Kennedy Space Network, Inc. in Melbourne recently. It will provide coverage for radio stations and others on the space launching of the U. S. astronauts.

The Historical Association of Southern Florida has opened an exhibit of the Link Collection, featuring the work of Ed Link, famous aviation pioneer and inventor of the famous Link Trainer.

As a guest of the Rotary Club, Kathryn Smith gave a resume of the visit of Patricia Reagan's trip to Brazil in the 1964 Juliette Lowe World Friendship Program. In observance of National Girl Scout Week, Listening intently is Bennie Weeks, Rotary Club President.

Kathryn Smith, guest of the Jaycees during National Girl Scout Week, gives a report as President Milli McKay looks on. She gave an interesting talk of Patricia Reagan's visit to Brazil for nine weeks participating in the Juliette Lowe Friendship Program of 1964.

A FEW QUESTIONS... To Ask The Printing Peddler

WHEN THE PEDDLER SELLING STATIONERY AND PRINTING SUPPLIES SOLICITS YOUR BUSINESS, THESE ARE A FEW QUESTIONS WHICH HE SHOULD BE WILLING TO ANSWER TO YOUR SATISFACTION:

1. Does he pay taxes in this community?
2. Can he supply your order on short notice?
3. Does he donate space in the newspaper to your local community enterprises?
4. Does he pay wages to employees here?
5. Does he grant you favors that you would ask of your local newspaper?
6. Does his price include postage or other delivery charges?
7. Can he duplicate our prices, quality and service?

IF HE CAN ANSWER ALL THE ABOVE QUESTIONS . . .

IN THE AFFIRMATIVE . . .

HE HAS AN EQUAL RIGHT TO YOUR BUSINESS.

If Not, Consult

Baker, Berryhill And Payne Buy FFA Project Steers

From Glades Pastures to Glades Freezers

Gene Kicklighter and Enrique Tomeu raised steers as their FFA project, and Friday Dr. Thomas Baker and Howard Payne together with Garland Berryhill bought them. Kicklighter and Tomeu secured the steers from Mrs. Ruth Wedgworth in October with the understanding payment would be made when sold. With this aid and guided by Prof. Sam Lovell, the boys planned to enter the steers in the Southeast County Fair but Lovell said "they weren't quite fat enough to show so the steers were fed out for forty more days." The sale of the steers was promoted at a Lion's Club meeting.

Bobby O'Berry, member of the Lion's and Market Manager of the B&B Supermarket made the statement that if anybody bid on the steers at the fair and got them he would cut, chill and wrap the meat at no charge. Berryhill and Baker were the

Steers carcass hanging under Vocational Ag building Friday after being slaughtered by Ag Classes. Two steers were sold. Left to Right: Garland Berryhill, purchaser of one; Enrique Tomeu and Gene Kicklighter, boys who raised steers and Bobby O'Berry, Meat Market Manager of B & B and Dr. Thomas Baker, Aliso Howard Payne, who bought one of the purchasers of the second steers was not present when picture was taken.

Steer carcass after being slaughtered by Vocational Ag classes Friday. Steers were sold locally. Sam Lovell, left, Head of Ag Department, boys who raised steers Gene Kicklighter & Enrique Tomeu and J. O. Goza, Associate in Ag Department. Steer raising was an FFA project. Steer weighed 990 pounds — the boys had the steers at the Everglades Experiment Station for feeding.

-Your Library-

Purely fiction!

For ten cents a week you may check it out from your library's rental collection. New novels are shelved together, behind the Librarian's desk, until their popularity begins to wane. Then, they move into the regular stock area, to make room for fresh best sellers.

Like these.

NECESSARY DOUBT. Wilson By the author of THE OUTSIDER, a corker of a story becomes believable as it progresses. Professor Karl Zweig recognizes a man getting into a cab, with an elderly gentleman, and suspects he has spotted a dangerous murderer, and victim.

Starting out like an ordinary British thriller, this soon develops psychological undertones that are not at all ordinary.

THE ITALIAN GIRL. Murdoch. A view of Edmund Narraway, who considers himself a very superior fellow, is done by the author of THE UNICORN. Vegetarian, non-drinker, non-smoker, he looks down on his early brother, and devotes himself to engraving.

At his mother's funeral he is introduced to a life which first sickens, then seduces him, until finally he sees himself in his brother's place. Among four complex people who share in the story is the Italian girl.

THE HANDS OF CANTU. Lea. The untamed Southwest of 400 years ago is the setting for a tale of Spanish and Indian, conquistador and savage. How the first horses of the Iberian stud came across the Atlantic to found a famous line is part of it.

Young Toribio de Ibarra learns from "the hands of Cantu," the best horseman ever seen in New Spain, mastery of the animals and a cardinal rule, "keep all savages on foot, for mounted they would prove a terrible threat to the Spanish domain."

THE FORSTRESS. Gavin. Timely, this historical novel

is set in the Crimea, where war rages in 1854 between Russia, and Britain and France.

Alix, a comely Finnish patriot, and Brand, a young skipper from Maine, find romance under the guns of Sveaborg. Battle, separation, imprisonment, and British victory at the fort are themes in a well researched novel. A Prime Minister, then as later, rouses Britain in an hour of danger.

ALSO RECOMMENDED.

THE SEA FLOWER. Moore. Modern magic is a classic situation — two youngsters cast away on (an almost) deserted island.

AGRIPPA'S DAUGHTER. Fast. Of the splendor and ugliness of Rome and Jerusalem, traced through the story of Berenice, great granddaughter of Herod the Great.

DAILY AND SUNDAY. Powell. The inside of a metropolitan newspaper, brought into focus in the story of a search for a top level executive.

Raulerson's Awarded Chicago Trip

Raulerson's Office Supply was awarded a "Certificate of Merit" and a trip for one to Chicago by the Victor Comptometer Corporation, Business Machines Group of Chicago, Ill., Saturday. Owner Mrs. Worthley Whitley said this award was in recognition of outstanding sales and service to the business community through adherence to ethics and principles of Victor's exclusive franchise agreement and for 296,000 sales achievement for 1964. Leonard Case had the leading

sales record of Victor machines for Raulerson's during 1964. Case is attending this week a refresher course at Memphis, Tennessee conducted by Victor. In receiving the expense paid trip to Chicago, in addition, Mrs. Whitley said Victor's own private plane will furnish passage. While in Chicago entertainment will be provided and Raulerson's will be honored by the Victor company officials.

PBJC Open House Started April 4

Members of the Open House committee at Palm Beach Junior College have been meeting periodically to round out plans for the annual April 4 Open House. This year the college will feature faculty accomplishments, their university parallel program and various specialized programs. Present plans include band and choir concerts and several educational exhibits. The committee is headed by Mrs. Edith Hall.

GOOD PARKING BUILDS GOODWILL

National statistics prove that women rank first as shoppers. Women prefer diagonal stalls as it is easier to park. They do not object to right angle stalls if the aisle is wide enough to enter and leave without excessive maneuvering. In today's business parking is universally recognized as a necessity. Shopping centers with their extensive parking areas, a woman's desire to avoid all traffic possible and to park as closely and easily as they can have contributed to this growing need. Shoppers, particularly women, will share a parking space that is awkward to get into and may drive a considerable distance to another store. Local merchants have moved another step forward in the improvement of parking facilities, and are undergirded by the City Council.

Nine parking areas prepared and readied for use can make it possible for

customers to park closer to the store entrance. Merchants who are participating in this downtown parking realize that more parking spaces will produce more customers. It can be beneficial in many ways. More satisfied parking customers results in more business; more business calls for increased employees and dollar sales are on the up. Merchants show by this gesture their desire to give better service to the customer. It is understandable that our town must endeavor to keep abreast with the city.

Belle Glade is growing rapidly. Merchants have recognized the need for increased parking. Store employees can indicate their cooperation by parking in designated areas. Satisfied shoppers will mean more hometown patronage.

Downtown parking improvement will benefit all of Belle Glade.

Washington Report

By Senator Spessard Holland

PROGRESS MADE WITH FARM LABOR PROBLEM

It is encouraging to note that some slight progress has been made with our problem of securing sufficient numbers of skilled off-shore agricultural workers when they are needed to harvest our citrus, sugarcane, vegetable and sugar cane crops. Shortly after my last news item I was advised that the Labor Department's Bureau of Employment Security had received somewhat from its former administrator an impractical position. It agreed that all 3,500 off-shore citrus pickers now in Florida could work in the groves through March 7 (1,500 were scheduled for repatriation on March 1). From March 7 to March 21 the full force are to remain in the state, but on a furlough basis during the so-called lull between citrus crops. On March 21, 1,750 can go back to picking fruit and the remainder can be used if it appears to be necessary at that time.

Although any degree of cooperation from the Labor Department is welcome, this is at best a stop-gap measure and does not constitute the satisfactory permanent solution which we must have to adequately protect both growers and consumers.

Last Tuesday I made my third Senate speech on the subject for I feel that as more legislators become acquainted with the seriousness of the problem we can more quickly arrive at an equitable solution.

Following an exchange of views during this speech between Senator Murphy (California) and myself, Senator Mansfield (Montana), the Majority Leader, took the floor to report his own observations of the situation during his recent trip to Mexico and declared that action must be taken to guarantee American growers sufficient trained labor when crops must be harvested to halt the considerable movement of our production and processing to Mexico.

Senators Hayden (Arizona) and Aiken (Vermont) also pledged their assistance in strong speeches, and Senator Randolph (West Virginia) did so later on behalf of the apple growers of his state. Seventeen other Senators have now joined me in this fight.

PROPOSED LEGISLATION

I have introduced two bills dealing with agriculture in connection with identical House measures offered by Congressman Billy Matthews. One would amend the Agricultural Adjustment Act so as to extend for an additional two years the permitting the lease of tobacco acreage allotments. The other would extend for two years, 1966-67, the exemption of bol-

ed peanuts from quota provisions of the Agricultural Adjustment Act. In addition to these, I have also joined with other Senators in the co-sponsorship of bills to: (1) amend the Social Security Act to increase from \$1,200 to \$2,400 per year the amount individuals may earn without suffering reductions from insurance benefits received under Social Security; (2) require federal agencies to provide certain services to commercial suppliers whenever economies can be thus affected; (3) condemn the Soviet Union for its persecution of Jews; (4) amend the antitrust laws to provide that the refusal of non-profit banks, and of hospitals and physicians to obtain blood and plasma from other blood banks, shall not be defined as acts in restraint of trade.

LEGISLATIVE REAPPORTMENTMENT HEARINGS

Mr. Justice Millard Caldwell of the Florida Supreme Court and I testified last Thursday before a Senate Judiciary subcommittee which was conducting hearings on S. J. Res. 2, of which I am a co-sponsor, and other proposals for a Constitutional amendment to deal with the complex question of the reapportionment of state legislatures. We both strongly favor the Constitutional approach which reserves to the citizens of each state the right to apportion one House of their legislatures on some basis other than population if they so desire.

It is inconceivable that a single pattern of distribution of legislative representation would apply equally to all 50 states, with all of the manifest differences which exist among them.

FEDERAL CUTS IN CUBAN REFUGEE SCHOOLS FUNDS PROTESTED

Last Tuesday Congressmen Fawcett and Papper and I conferred with members of the Dade County School Board and the County Commission and with officials of the Department of Health, Education, and Welfare on the question of HEW's proposal to make a \$2.2 million reduction in the amount of federal aid allocated to the Miami area for assistance in the cost of educating the Cuban refugee children in the public schools. The Dade Countians made a strong case against the inequity of this proposal in which they were strongly supported by the Congressional Delegation.

HEARINGS CONTINUE ON PROPOSED CLOSING OF AGRICULTURE EXPERIMENT STATIONS

The hearings on the Agriculture Department's proposal to close 20 experimental facilities throughout the country which opened on February 25 before the Senate Appropri-

Letters to the Editor

Mr. Luther Jones
Editor-Publisher
The Belle Glade Herald
P. O. Box 769
Belle Glade, Florida

Dear Mr. Jones:
Your Reminder of the expiration of our subscription has been received and forwarded to our Auditing Department for payment.

Congratulations on your Mar. 11 issue! This is especially full of news and appropriate headlines. The five human interest front page with the article is very appropriate and timely. The Annual Report of the City of Belle Glade has also been read with interest. I am sure your fine city and section will grow with the kind of newspaper and leadership that you have.

Wishing you and your good friend, George Young, every success in the real estate business and with kind personal regards, I am,
Sincerely,
John Henry Logan

ALONG THE SUNNY SIDE

When we view the throngs of humanity in our city streets, we are likely to become obsessed with the thought that "everybody is chasing the almighty dollar." This is far from true. There are always some in the throng who are bent on missions of mercy, or of otherwise devoting their efforts to unselfish interests.

The annals of human endeavor are replete with names of those whose chief affairs of life were in the interest of humanity. It was B. C. Forbes, the maker of a great human-interest magazine, who once said, "Men who are the longest remembered, and whose memories are most highly revered, are not those who made the most money, but those whose hearts were gentle, whose sympathies were broad, and who best served humanity." (By Sir Oracle)

ations Subcommittee on Agriculture, of which I am chairman — are still being conducted. We have now completed the testimony of Secretary Fawcett and other Departmental spokesmen. It has become clear that the Agriculture budget requested by the Department last fall provided for the continued operation of all experimental stations and projects now proposed to be closed, plus increases of some. However, reductions forced upon the agency by the Budget Bureau required a retrenchment policy. Subcommittee hearings will resume next week in order that public witnesses may be heard, and then the subcommittee will carefully study the record preparatory to making its recommendations.

Uncle Dan Says

Dear Mister Editor:

Seems like a heap of folks out our way sick with colds and the flu these days. I reckon this is the time of year for with everybody were down after a hard winter. Ed Doolittle, for instance, has been in bed two days with a bad cold. I went by to see how he was getting along and his old lady told me he had a "virus" but Ed told me confidentially that he was nothing but a cold fashioned cold, said his old lady was just putting on airs with that "virus" stuff. As a general rule, country folks has to be pretty sick when they take to their bed. They can't afford it.

On account of Ed ain't felt like reading the papers, I brought him up to date on the state of the nation. When I got through with my report Ed said his cold was a heap worse.

Actual, Mister Editor, things ain't been too good in the papers all week. Even here at home matters got off to a bad start Sunday. Our preacher told the congregation they want no money in heaven and they wasn't none in hell and he was wondering what them folks that was trying to save up so much of it aimed to do with it. Up to now I ain't been able to figure out the answer. Maybe it ain't got none.

And then I see where the Mayor of some town in Florida has issued a official proclamation

asking the parents to teach the Ten Commandments to their youngsters. This will be a mighty good chance for the parents to learn 'em, too. And while we was discussing religious items in the news, I think I have come up with the answer with what was reported they had raised all the retail prices double in Shuckolavakia (If I ain't got it spelt right, Mister Editor, just excuse me) "to aid the working man." I reckon they figger harder work for less money should speed up the end of their worldly troubles. That's the true Red philosophy.

And this piece said a Russia newspaper was claiming all American kids was hungry. That's about the only true state ment I have ever saw from a newspaper in Russia. All in all, Mister Editor, the news was mostly bad this week. Yours truly,
Uncle Dan

If You've Made \$1,200 And Draw Social Sec. You Must Report Apr. 15

April 15, 1965, is an important deadline for many people receiving social security payments. Anyone who received any social security payments in 1964, and who earned more than \$1,200 in 1964, must file an annual report by April 15, 1965. Only earned income from wages or self-employment are required to be reported for this purpose. Persons who were 72 years of age before 1964 are not required to file an annual report for 1964.

R. C. Gehrken, Jr., District Manager of the West Palm Beach Social Security Office, advises that anyone required to file an annual report do so promptly. This report must be filed in addition to any income tax return which may be required. Gehrken suggests that anyone needing an annual report form or further information contact his office at 715 S. Dixie Hwy., West Palm Beach.

SAINT PATRICK

Saint Patrick the patron saint of Ireland, whose special day the Irish celebrated yesterday on March 17, was born in what is now Scotland. He was educated as a Christian and spent 14 years preparing for his work.

1700 years ago, in 432, he became known in Ireland as the Patron saint, of the Irish because he was the first to preach Christianity. His own story tells that St. Patrick's my-my. "You tell us that there are three Gods, and yet one," wondering said the Irish when Saint Patrick was preaching the gospel to them these 1700 years ago. How can that be? The Saint bent and plucked a shamrock. "Do you not see," he said, "how in this wild flower three leaves are united in one stalk, and you will not then believe that there are indeed three Persons and yet one God?" The shamrock remains the emblem of Ireland, proudly worn by Irishmen the world over on St. Patrick's day.

DO IT FIRST

If you have something hard to do. Just go to work and do it. If you decide to put it off, Your's pretty sure to rue it. Pitch in and do the hard thing first; Let easy ones come after; Make this your rule, and life will mean A lot of joy and laughter.

"Crusade Against Cancer" On Stamp

A new issue of a five cent United States postage stamp has been designed and will carry the message "Crusade Against Cancer — Early Detection Saves Lives."

The Florida Division of the American Cancer Society in Tampa reported this week that the new stamp will be released by the United States Post Office Department in Washington, D. C. for distribution during the month of April.

The central design of the vertical 5c stamp is a physician's stethoscope in purple against a microscopic orange. It was created by Steven Dohanos who has produced five other stamp illustrations and more than 100 originals for the Saturday Evening Post covers.

Senator Maurice B. Neuberger of Oregon, who knows the cancer and the millions of Americans who help fight the war against cancer.

Postmaster General John A. Gronouski, also commended the stamp and said, "the purpose of the stamp is to remind Americans that an early medical checkup often can bring this disease under control. The stamp will also salute the men and women engaged in cancer research, and the millions of Americans who help fight the war against cancer."

Add a touch of color to your bedroom.

Subtract:
running,
walking,
climbing,
rushing,
and
getting up
at night.

(What else that costs so little saves you so many steps?)

HARVEST QUEEN TALENT SHOW SET FOR SAT., MARCH 27

The first talent show for Harvest Queen Contestants is set for Saturday night March 27, 1965 at the Belle Glade High School Gym. Bill Aspey Har-

vest Queen Chairman, stated that he was well pleased with the response of the girls to the contest. This affair looks like it will be very entertaining.

Mrs. Alice Mixson will be working with the girls in the next few weeks, getting ready for the beauty contest on April 3. The girls are urged to attend

all the meetings, to help make this the best contest ever. The Harvest Queen contest will be taped by Channel 5 with Tony Glenn broadcasting

the show on Monday, April 5 from 7:30 to 8 p. m. Sponsors of this part of the program are to be announced.

Ray Alston announces that reserve seat tickets for the contest and the dance tickets will go on sale at Sullivan's Drug

and Grant Averill's in Belle Glade and Rashley's Dry Cleaners in Pahokee today. Mr. Alston stated that there are only a limited number of reserve seats available so get yours early.

M. B. James, dance chairman

states that plans are well under way for the dance. He said there will only be a 100 tickets sold for the dance due to the limited space at the country club. You may get dance tickets from any Jaycee or at the above locations.

Poston Heads Mgt. Committee

Richard A. Poston, executive vice president of Everglades Federal Savings & Loan Association, Belle Glade, Florida, has been appointed to the U. S. League's 1965 Management Committee.

The appointment was announced today by John W. Stadler of Washington, D. C., president of the U. S. League, which is the national trade organization for the savings and loan business and represents more than 5100 savings associations. The Management Committee studies methods which will improve management procedures and association operating routines.

Glades Livestock Market Report

Cattle going through the ring at Monday's livestock sale, numbered 353 head, for a total of \$28,334.91; 54 percent going to slaughter and 46 percent going to stockers. Going for slaughter: Steers 46; Heifers 2; Cows 31; Bulls 8; Calves 46; Yearlings 31. Going for Stocker: Steers 93;

Heifers 25; Cows 4; Bulls 12; Calves 17. 17 percent of the run was cows and 96 percent of these were slaughtered. According to market manager, Pete Clemons, there were more cattle at Monday's sale, and "stocker steer yearlings were up pretty good."

Joyce Morris Will Attend Tift College

Joyce Faye Morris, 1333 Wedgworth Road, Belle Glade, has been accepted for admission to Tift College in Forsyth, Ga., for the 1965-66 school year, pending successful completion of the remainder of her high school requirements. She attends Belle Glade High School.

Tift College is located overlooking Highway I-75, which now conveniently links Georgia with Florida. Out-of-state students are not penalized with extra fees at Tift College.

The college for young women is now in its 118th year of operation. It served as a Confederate hospital during the Civil War.

Vera C. Jones, City Clerk

B. G. Elementary Schools Report-

MRS. CHALLANCIN, GRADE 2

We are studying a unit on clothing. Now we are learning about cotton. We took a piece of fluffy cotton and began to gently pull and twist to make a long thread. We decided that it was much easier and faster to make thread with a machine.

We also took small pieces of cloth and pulled them apart to see that they were made of threads. Then we pulled the threads apart and discovered that they were made of tiny fibers twisted together.

3RD GRADE, McClure

Room 104

For the next few weeks we will be studying about clothing; where it comes from, and how it is made. The students are eagerly bringing in samples of all the different kinds of materials from wool to synthetic.

We have a new student, Rhonda Moses. She comes to us from Jupiter, Florida.

MRS. RUFF'S 3rd Grade

Last week our class started studying cotton. First, they planted the seed. It bloomed into a flower. Second, the boll. Then it was ready to be picked, and after it was picked, it was taken to the gin.

After being taken to the gin, it was taken to the ginning machine. Then, on to the spinning machine to be made into thread.

The big looms came next where it was made into cloth. Then the cloth was taken to the factory to be made into cloth for all of us. We are not through yet. We have studied hard and we will keep studying hard. We have made potholders so we could tell the warp and woof. The wool thread went across and the warp thread went up and down the material. It is nice to go through states where cotton is growing.

by Diane Wedgworth

MRS. SPOONER

The Cadet Teacher Program is scheduled to start some time in the near future in the elementary school. This will be in effect for eight weeks. These cadets are from the high school and will observe in the assigned classrooms. Here's hoping they plan to stay in the teaching field.

The sun is a big star. The temperature on the sun is about 11,000 degrees. Anything that goes near the sun will turn into a gas. If you put a thermometer on the sun, it would explode or melt. The earth goes around the sun in orbit. The sun is really a big ball of gas. The sun is about 265,000 miles

through the middle. The earth is about 8,000 miles. Some stars are bigger than the sun.

Catherine Fowell

MRS. DAVIS 4th and 5th grade

Mrs. Davis room had a letter from a boy who lives in Wisconsin and who wants to know more about Florida. The class plans to send information about the Glades section to him.

The class has also begun work on a plant project with each child planting his own seeds and caring for them.

An Aquarium project has been started, but as yet, only small snails are in it. The class hopes to have other water creatures added to it before long.

In a race for the boys in physical Ed class, Junior Class won 1st, Warren Prescott, 2nd and Ricky Lee, 3rd.

By Sterling Winchester

WILLITS - 5th Grade

UNIT IN ENGLISH

Mr. Willits' fifth grade have decided to have a class play, "Melancton and The Magic Wish." The arrangements are being made by the following committee members: Paul Edwards, Rosa Larrondo, Gary Motes, Darleen Miller.

Reporter-Karen Carpenter
The Safety Patrol has made two new posts between the High School and the Elementary School. Karen Carpenter and Karen Carpenter and Karen Ryner are working on them.

MR. GROOVER - 5th Grade

Panama Canal ranks one of man's greatest engineering achievements. It crosses Central America to connect Atlantic and Pacific oceans. Before the Panama Canal was built, a ship sailing from New York City to San Francisco had to travel more than 15,000 miles around the tip of South America. The Canal shortened the journey to about 8,000 miles.

The United States built the 50.75-mile-long Canal during the early 1900's. Thousands of men labored many years to construct the waterway. They had to move 211,000,000 cubic yards of earth and rock. The builders of the Canal used steam shovels and dredges to cut through the jungles, hills and swamps. They conquered tropical diseases that took the lives of many workmen. Construction of the Panama Canal cost the United States \$380,000,000.

Reporter-Margaret Levitt
Mrs. Lanier's pupils are writing booklets on the New England states in Social Studies. Mrs. Lanier has divided the class up into small groups. Each group works on a state. These reports are on famous people, industries, population, etc.

By Melinda Chancy

MRS. STEVENS CLASS

We are studying reptiles and amphibians. Mildred Parker and Becky Gummere reported on Alligators. Karen Kimberly and Bill Baker reported on Chameleons. Larry Steed made a report on the skunk. Allen Imes and Mike Shoemaker made reports on the Bull Frog.

Mike Shoemaker brought his box turtle to school. We are learning about the habits of the turtle. Clark Lloyd brought a sponge which he got from Tat-poon Springs. He told us about the sponge boats and divers.

MR. MINCEY'S ROOM

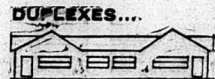

This week we finished our study of air and water. On Friday, we took the papers we had filed and each of us arranged our own book about air and water. They were all very good. We had a basketball game. Our boys asked Mrs. Burkett's room to play against us. On our team, we had Jim Korzep, Jeff Royal, Tim Prescott, George Humphries, Carlos Latour, Ken Schlechter, John Grandel, Henry Puig, Richard Guileres, George Bailey, Steve Hart, Pat Lee, Robert Castillo and Harvey Ashley. We won, five to zero. Carlos Latour was the star of our room that day. This Friday we will play Mrs. Stevens' room. Kenneth Schlechter is making a movie about fish. He will show it to the class when he is done. He works on it after school.

This week we are starting to learn about our community and the people who help our town. We will ask our fathers to come to the room to tell us about their work. We are going to invite Dr. Orenigo to tell us how Scientists help our community. Mrs. Johnson's class is going to study along with us. We made animals out of clay. It was fun. We will have a puppet show this Friday, given by Ken, Susie, Gail and Helen.

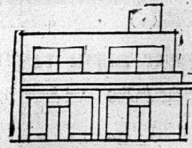

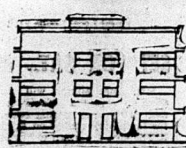

Reporter-Ken Schlechter

Mary Helen Fontaine and Carol Williams won top honors at the last N. B. T. A. Twirling Contest. Mary Helen started her day off by winning First Place in beginner solo and later in the day had a twirl off for beginner grand champion, which she won. Mary Helen is a fine twirler and is moving up fast. Carol Williams, who is Captain of the Palmettes and a Belle Glade High School Majorette, added another first place trophy to her large collection of trophies and Medals.

Deaf Man Perfects Midget Transistor Hearing Aid

If you can hear people talk
and can't make out the words
clearly, then this will be your
inhering. An extremely small
hearing aid using a tiny ener-
gized unit, has been perfected
by a man who himself is hard
of hearing and has been for
over 10 years. With his new aid,
even whispers are crystal clear.
If interested it is suggested you
write HEARING, 32 E. 9th St.,
Erie, Pa. You will receive full
information at no cost or obli-
gation whatsoever. — Adv.

PBJ College Players Present "Andracles And The Lion"

Let - Jerry Cox, Kent Borgenson, Mickey McKee, (Belle Glade) Mike Conquino, are among the leading characters in the cast of 27 players.

The College Players of Palm Beach Junior College will present George Bernard Shaw's "Andracles and the Lion" Mar. 18-19-20 at 8:14 p. m. in the Palm Beach Junior College auditorium. There will be a special Sunday Matinee, March 21 at 2:30 p. m.

Student admission for the Sunday matinee is 50 cents. Regular admission adults \$1.50 and students \$1.00. Tickets may be received by calling the Box Office JU 5-3330.

The large cast of 27 will be under the direction of Frank Leavy. The tech. director will be Fred Cossin.

50,000-Plus Wattage
For Radio Stations
Not Good - Smathers

Senator George A. Smathers today introduced, for himself and Senator John Sparkman (D-Ala.), a Senate Resolution intended to discourage the Federal Communications Commission from allowing radio stations to broadcast with power in excess of 50,000 watts.

"As a member of the Senate Small Business Committee," he continued, "I am very concerned about the very likely adverse economic impact that would be felt by the small stations and the effect it would have on the competitive climate which presently exists in radio broadcasting."

In addition, the Floridian noted, the granting of this "super power" to these stations would give them undue influence in the broadcasting of news and editorial opinions.

Mathematics Tournament Today In WPB

Today (Thursday) over 400 mathematics students of Palm Beach County Junior high schools are meeting in the Palm Beach Junior College Auditorium where they will be vying for honors in the annual mathematics tournament sponsored by the County Council of Mathematics Teachers.

Each school is permitted three participants per one hundred students and major fraction thereof. In selecting the individual contestants consideration was given (1) to each student's ability to think independently and analyze mathematical material, (2) to each student's achievement record and scores on the previous tests in mathematics.

Those representing Belle Glade Junior High School are Jeanne Ayres, Carol Williams, Wm. Fred Williams, Dick Hooker, Pat McDaniel and Richard McMillan from the Ninth grade; Jimmy Winchester, Jerry Williams, Nancy Wolf, Chip Kautman, Azale Gressinger, Tommy Altman, Gloria Cartmel from the Eighth grade; and James Bejole, Dennis Wedgworth, Gary Goggins, Ricky Roth, Roxie Carlwell and Melissa Schoppel from the Seventh grade.

Alternates are Johnny Williams, Margaret Tompkins, Jill Bowen, Gilbo Alvarez, Grade 9; Erian Masov and Cynthia Thibaud - Grade 8; Gail Stewart and Leslie Ameringer - Grade 7.

Awards will be made by the Community Federal Savings and Loan Association of Palm Beach, Florida. Special Award of the Local Association of Lake Wards will be given the top fourth and first place - three severe.

-LAKE HARBOR NOTES-

Rev. and Mrs. Jameson attended the morning services at the Community Methodist Church in Belle Glade the past week, to hear Dr. Allen Moore preach. Mrs. H. D. Merriman and Mrs. Jean Swartz accompanied them several mornings.

Mr. Raymond Enfinger of Black, Ala., visited his sister Mrs. A. B. Mathis Jr., and other relatives this past week.

Mr. and Mrs. Gilbert McCung from Leesburg, Fla., spent the weekend with Mr. and Mrs. Frank Robertson.

Danny and Jimmy Herring of Belle Glade spent the weekend with their grandparents, Mr. and Mrs. H. R. Layfield.

Mr. and Mrs. Harvey Pope spent Tuesday with Mr. and Mrs. Gene Pope and family in Lake Park.

Mrs. S. S. Johnson of Nocatee is spending this week with her daughter Mrs. Fred Cato and Mr. Cato.

Mrs. J. W. Wood of Lake City and Mrs. Bill Saxon were Friday night dinner guests of Mr. and Mrs. C. A. Revels.

Mr. and Mrs. W. C. Prewitt spent the weekend in Gainesville with Mr. and Mrs. Matt Prewitt and Mrs. John Prewitt.

Mr. and Mrs. Ted Blausen, Flint and Allison Plank spent the weekend with Mr. and Mrs. Ralph L. Blausen and Janice in Ocala.

Mr. and Mrs. Sled Bradley and Mr. and Mrs. Robert McGee of Knoxville, Kentucky have been the house guests of the A. B. Mathis family for several days. They spent Thursday in Fort Myers and Sunday in Miami.

Mrs. J. O. Jameson attended the monthly meeting of the Belle Glade Garden Club on Thursday afternoon. The meeting was held in the parlor of

the Methodist Church, where Miss Sara Creech was guest speaker. Mrs. Jameson was one of the hostesses with Mrs. C. W. McDonald and Mrs. Fessenden. Mrs. R. L. Saxon spent Wednesday and Thursday visiting R. M. Easton and T. R. Saxon families in Fort Lauderdale.

Raulerson Horse University Bound

When Mary Lou Raulerson, daughter of Mrs. Worth Whaley, leaves for Mercer University Saturday horse "King" will again go with her. Mary Lou will enter the spring quarter as a Sophomore. She has purchased a horse trailer and "King" will be taken to a nearby University pasture.

Mary Lou is returning to college with a deeper satisfaction knowing that "King" will be close and she can ride in her leisure.

Mrs. Whaley said it had been quite a "packing event" getting "King" ready for this school venture.

Florida cows produced about a thousand pounds less last year per cow than Michigan and Ohio cows; 2,000 pounds less than New Jersey cows.

Driver licenses should be renewed during the month of your birth, every two years. If you were born in an odd year, you renew in every odd year. If you were born in an even year, you renew every even year. 3-11

South Bay School News

HONOR ROLL

7th Grade
Honorable Mention — Charles Miller, Tina Bickle, Eddie Zywicki.

8th Grade
Honorable Mention — Barbara Warren, Judy Zywicki.

South Bay P. T. A.
The South Bay P. T. A. had their regular meeting Monday, March 15th at the South Bay School Auditorium with Mrs. Judy Sullivan presiding. Mrs. Thurman McKinley, secretary read the minutes of the last meeting.

Mr. H. A. Ouellette, principal announced that the air-conditioners for the third, fourth and fifth grade had been purchased and will be installed as soon as the maintenance department can work in into their schedule. Mr. Ouellette announced that the Safety Patrol will send 36 students to Washington and the money will have to be in by March 31st. The P. T. A. voted to donate \$80,000 for the trip if the money was needed.

Hostesses for the evening were Mrs. Riley Foster, Mrs. Ronald Stevens, and Mrs. Homer Crawford.

South Bay School
Rev. and Mrs. E. C. Ralston presented a program at the South Bay School Tuesday, Mar. 16th. Mrs. Ralston gave an interesting talk on some Bible stories and Rev. Ralston showed some magic that correlated with the Bible stories.

Scholarships \$1000 Per Year Each For Worthy Students

The State Board of Health and today April 1 is the deadline for applying for 10 medical scholarships to be awarded worthy students.

The scholarships are worth \$1,000 a year for as much as four years. Only students who have completed college level pre-medical studies are eligible. High school students are NOT eligible.

Those accepted must be citizens and a resident of Florida for five years, be of good character and in need of financial assistance. The student must agree to practice 18 months in a Florida community needing his services for each year's scholarship accepted.

The scholarships were put up by the Legislature to help provide doctors for communities able to attract them. Applications should be made to Medical Scholarship, State Board of Health, Box 210, Jacksonville, Florida 32210.

The rain tire

If it's sure-footed on a wet road, imagine the control you'll have on a dry road.

You never know when it's going to rain.

You never know when a friendly road is going to turn into something wet and slick and treacherous.

That's the whole idea behind the rain tire. You're ready for it whenever and wherever it happens.

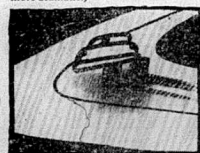

On a wet, slippery road:
30% shorter stops.

With a set of rain tires on your car, you'll be able to stop 30% shorter on a rain-slicked road than you could when your car was brand new.

(That's how much difference there is, on a wet road, between the rain tire and the tires that originally came with the '64, '63 or '62 cars. If you own a '61 or earlier car, the improvement will be even more dramatic.)

more dramatic.)

On a wet curve:
50% more skid resistance.

On a wet curve, you'll hold the road 50% better.

And when you accelerate on a wet road, you'll have 20% better traction.

Your car will handle in the rain like it never handled before. Surer of itself. More responsive. Making contact with a good, solid hunk of road that each rain tire has squeezed dry.

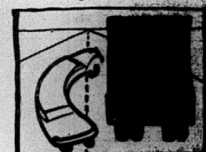

But what's it like when the sun comes out?

You'll have even better control in passing or in cornering than you had when your car was brand new. On a dry road.

Other side benefits: Less wander when you drive down a straight road at 70

or 80. Practically no "trolley tracking" when you ride in and out of an expansion strip on the highway. About 10% longer wearing than our 1964 first-line tire.

It comes as Original Equipment on some of the most prestigious 1965 cars. Which means that it has to be quiet and smooth-riding.

On a dry road:
surer control when you pass or corner.

The official name of the rain tire is the "U.S. Royal Laredo." Yours guarantees without.

U.S. Royal

The Rain Tire (U. S. Royal Laredo) starts as low as \$15.23
